FOR IMMEDIATE RELEASE

Big Tree Fire Station – Hamburg, NY

CONCEPT CONSTRUCTION CORPORATION COMPLETES BIG TREE FIRE STATION DEDICATION CEREMONY PLANNED

May 2017 - Hamburg, New York - Concept Construction Corporation completes construction of the new Big Tree Fire Station located at 4112 Big Tree Road, Hamburg, NY.

Overseeing all phases of construction, Concept Construction Corp. was proud to be selected as the Construction Manager for such a beautiful facility and looks forward to celebrating in its dedication. The new 19,675 sq. ft., \$3.2 Million Fire Department will soon be put into service. Centrally located in heart of the community, the new station merging two facilities into one, will now offer even quicker response times, increased neighborhood visibility for special events, while enhancing overall efficiency of the entire department.

Concept Construction Corporation is a 4th generation family owned business, specializing in general construction, construction management and design-build services since 1972.

For more information on Concept Construction Corp. please contact Vince Ricotta VP Business Development.
