Annual
Arts on Ridge

Sponsorship Form
September 28, 2019

2pm - 7pm

Presented by:

Arts on Ridge is an annual festival celebrating the local arts, diversity, and small business. A portion of Ridge Road closes on Saturday, September 28, 2019 to celebrate art, food, and a variety of performances!

Arts on the Ridge is made possible thanks to a number of community stakeholders who decided that it was time for this part of town to celebrate its commercial and cultural attributes. We're continuing this tradition and adding even more to the festival this year! Enjoy artisans, photographers, performers, local businesses, with a variety of food and beverage restaurant offerings from all over WNY, along with live music.

Get your business front and center with one of our unique sponsorship packages!
